CHRIST TODAY

A monthly newsletter for friends and members of Christ Lutheran Church, Warren LCMC

From the Pastor's Desk

Dear brothers and sisters in Christ,

Greetings to you from our redeemer and the apostle of our faith, Jesus Christ our Lord!

Some of you are still away on vacation or for a family visit and I hope you are enjoying this wonderful summer weather. Wherever you are, you are in our prayers.

What Jesus said in *Matthew 11:28-30* is still fresh in my spirit after I preached on the text last time. Jesus said,

"Come to me, all who are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

This invitation is inclusive without exception. Jesus is willing to take away our burden. In this world, there is too much burden for us to struggle with, but thank God that His grace is abundant for all who want to rely on His promises.

So that in the midst of a lost and floundering world of mixed and misleading messages, we hold on to the anchor of Christ's Gospel message. As life moves along, as morality and faith seem to be rapidly fading for many, we get tired and beaten down. We are in fact being persecuted for holding to God's claim on us. But God has good news for us who are weary. I'm sure you all remember those words of Jesus in *Matthew 11*, *"come to me all who labor and are heavy laden, and I will give you rest."* He wants to reassure us of the sure and certain hope we have in Jesus Christ, the sure and certain comfort and security we have holding onto His cross.

Despite what the world may think, we continue to proclaim salvation is in Christ alone. Forgiveness of sins was earned for us once and for all on the cross of Calvary as Jesus laid down His life as the one and only needed sacrifice for sin. Resurrection life was assured for us in Jesus' resurrection. Our hope, our certainty is there. Jesus is absolutely inclusive in offering this salvation to all. *"For God so loved the world that He gave His only Son, that whoever believes in Him shall not perish but have eternal life."* (John 16:3) God's desire is for all to be saved. There are no if's, and's or but's in that. Salvation is in Christ and it is for all. The picture of heaven offered in Revelation 7:9 speaks it well. *"After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb..."* God includes any who believe in His kingdom.

From the President

Hello fellow members in Christ! I hope you are enjoying the wonderful summer weather we are having. Yes, it's finally arrived. With the improving weather we also have a greater opportunity to socialize and get to know our church family better. We should use this as a reminder to renew our faith in Christ as He is with us through all of life's sunshine, rain, and drought in our lives. If you are experiencing sunshine in your life come and rejoice with song and prayer. If you are experiencing some rain, come for prayer and support by Pastor and fellow members. If you have experienced a spiritual drought, continue to pray, and look to the Lord for guidance and strength. Request an appointment for counselling with Pastor Hunde. Come and join us, hear the Gospel and feel the Holy Spirit fill you with hope for daily living.

If you have been away, this is a great time to come back to church and see all you've been missing. Our 10 a.m. services will be held through September. They will be more of a "blended" style, incorporating both traditional and contemporary Praise Band music, even while we search for a Music Director. We miss you and are looking forward to your return.

On Sept. 24, during our Annual Congregational Meeting, we will be putting a motion on the floor to change our service time from 9 and 11 am to 10:00 am service on a permanent basis. We would like you to seriously consider this change. The basis for this change is simple. We noticed a serious attendance decline in both the 9 and 11 am services. Since the beginning of the year, we have seldom had more than 50 members on average at either service, and occasionally we have had as few as 20 members in attendance. When we switched to 10 am services for either special occasions or during the summer, we noticed that we averaged an attendance in the 80's. It also is more cost and time effective to run one service. We will be heating and cooling from 9 am to 11:30 am instead of 8 am to 1 pm. We would only need a musician for one service instead of two, especially important since we are still in search of a Music Director. We have a very limited supply of musicians, even with the assistance of the praise bands. We would only need volunteers for Worship assistants, ushers, communion servers, and communion set up for one service. It also is personally and emotionally more fulfilling to preach, assist, and sing to a fuller church. Plus, combining worship services will only increase the camaraderie of members who rarely see one another due to the separate church service times.

I am aware that many have a favorite service and time they like to attend, and might find the time change not to their liking. We will work together to create a service to meet everyone's needs. So, please prayerfully consider this change. There will be more reminders and temple talks to help you with your decision. Even though we usually return to two services after Rally Day in September, we will continue with the 10 am service through September 24 as a trial period when most members will be back from their vacations. This will give everyone a chance to attend.

From the Pastor's Desk (continued from page 1)

We all try our best so that Christ Lutheran Church should remain a place where people hear the pure and solid Word of God without any compromise.

The pastor's office is open to all who want to visit to get counseling, prayer, spiritual guidance, and advice or give us feedback for what we are doing.

I encourage all to invite people to the **September conference** which will be held **September 16 and 17** at our church. We are excited and looking forward to God's blessings on those days.

Stand strong in Christ! Hold tight to the cross. There, in Jesus' sacrifice, you will find all that you need to see you through this life and on into life eternal.

May God Bless you all!
Pastor Hunde

Revival Conference at Christ Lutheran Church

We are approaching our first Annual Revival Conference to be held Sept. 16 and 17. The main speaker will be Rev. Dr. Yared Hariche. He earned his PhD in missionology from Concordia Theological Seminary in Fort Wayne, IN, in 2009. Yared is married to Bethel and the Lord blessed them with two children. Today he is responsible as mission director for more than 315 Lutheran congregations in the Southeastern district. He is a very devoted and long-time friend of mine.

As I tried to explain earlier, the main purpose of this conference is to equip us with the Word of God, to reach out to those who haven't heard the gospel. It is all about evangelism. The only solution to the present spiritual crises is revival. Revival is the reawakening of faith or the renewal of spiritual commitment to the word of God. That is what we need. It is my prayer and hope that God will nourish us, equip us for the great mission field ahead of us.

There will be time to pray for those who need special prayers. People are welcome to contact the pastor's office in advance and I hope we will have enough time to pray for all.

I urge you all to invite at least one new person to this conference. Flyers for the conference will be available at the church in early August. Please keep on praying. Any kind of donation and support is appreciated.
God bless you all!

**But God will redeem my soul from the power
Of the grave: for He shall receive me.**

Psalm 49:15

Prayer Evening at C.L.C

Prayer is talking to God. The God to whom we pray is the all-powerful Creator, so He is able to intervene in our lives. He is a loving Father, so He cares about our needs and concerns. But He wants us to pray. **Prayer is, and always will remain, the key that opens the door to God's help and blessings!** "Because he loves me," says the LORD, "I will rescue him; I will protect him, for he acknowledges my name. He will call upon me, and I will answer him; I will be with him in trouble, I will deliver him." Psalm 91:14

The main purpose of the Prayer Evening on **Aug. 25th from 7pm to 8pm**, is to pray for the conference in September and, at the same time, to take us back as one body to the early church practice which made them spiritually strong and fruitful in their ministry.

We at Christ Lutheran Church need prayer badly! **We need to come together to seek His presence and guidance.** I hope many of you will show up at Prayer Evening and it is my prayer that God will move us in spirit to do so.

Rally Day is Quickly Approaching

Summer is finally here; I hope you have enjoyed spending time with family and friends. In another six weeks, the Sunday School staff will welcome back all the students on **Rally Day, Sept. 10th at 10 am**. I hope you will join the church family for fellowship and fun that day.

This also will be the beginning date for **Sunday School**, while **Catechism class** will begin on **Sunday, Sept. 24 at 11:30 am**.

Throughout the year, the staff also plans to sponsor fellowship activities for the children. These activities will possibly include bowling at Sterling Lanes, Movie Day at MJR, a Fall Harvest Back to School Party, plus visits to an apple orchard and the Detroit Zoo. We are looking forward to seeing everyone.

The Executive Committee and Council are asking for your consideration on this topic.

Please check the church calendar for upcoming events. Remember we will have a **Night of Prayer on Friday, Aug. 25, from 7 to 8 pm**. This is a night to come pray and contemplate your life and spiritual needs surrounded by the comfort of fellow members. Our **Bible study continues on the first and third Wednesdays** of each month **at 1 and 5:30 pm**. Please help us build a **Young Adult Group**. We have had our first meeting and are looking forward to gathering on a regular basis with our young adults ages 18 to 35. Members, as well as guests, are welcome. Once established, they will be divided into two groups according to age. If you know of people that would fit into this group and would be interested, please contact Evelyn Hudson-Wright, our Youth and Family Ministry Director.

Prayers continue for those in need of the healing of mind, body, and spirit, as well as those suffering the loss of loved ones. Please call the office if you are in need of prayers, pastoral counseling or assistance with planning necessary related events. Please contact the church office if you would like to be added to the prayer list or receive communion. Please contact the church office if you are in need of a ride for church services. We are in the process of developing transportation to church for those in need. **Please be advised, our voice mail is still unavailable. We are working to solve the issue.** Please call during the work hours of 9:00 am to 2:00 pm, Monday through Friday. If you have an emergency, please contact Pastor Hunde or the President (Cheryl Gothro). These numbers are in the church directory.

Visitors are welcome and encouraged to contact the Church Office or Pastor Hunde if they are considering becoming a member of Christ Lutheran Church. If you know of anyone searching for a church home, please encourage them to visit and let us know when they will be attending. We would like the opportunity to say hello and to make them feel welcomed to CLC.

We look forward to seeing you in church. Yours in Christ, **Cheryl Gothro, Council President**

FIFTH ANNUAL NO EXCUSE SUNDAY TO MAKE IT POSSIBLE FOR EVERY MEMBER TO ATTEND NEXT SUNDAY

For folks who would rather be "where the fish are biting" than contemplate the wages of sin, the church council and pastor plan to stock our fountain at the church with fish, then hand out rods and reels. For those who sleep through services, pillows will be provided. Pews will be reserved in the front of the sanctuary for those who complain that they cannot hear the sermon and in the back for people who complain that the preaching is too loud. "It's 'No Excuse Sunday' here," at Christ Lutheran Church. "For all the excuses we could think of-- we have answers. When our church members enter the doors they can take their pick.": "We'll have a doctor and a couple of nurses for people who feel too ill to come, for those who get hungry precisely at noon or those who just can't wait for breakfast, the fellowship committee will have frozen dinners ready. We will have coffee before & after the service and we will have steel helmets for people who are scared the roof will fall in if they step in." The subject of the pastor's sermon? The evils of using excuses to miss church services and the joy of leading a congregation that knows the importance of worshipping our Lord, God. And don't forget to tell a friend.

The Lord of the Rings

Did you know that July and August are now more popular wedding months than June? During all these ceremonies, wedding rings play a prominent role.

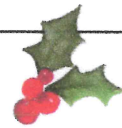

An almost universal tradition dating back millennia, rings in general and wedding rings in particular have various meanings. Glimpsing the ring on one's finger, one is prompted anew to live out the vows made years ago: to love and to be faithful to one's spouse in ways big and small. Others are reminded of the precious gift given to them, when the one placing the ring said, "I give you this ring as a sign of my love and faithfulness."

Wedding rings carry added meaning for those inviting Jesus to be the heart of their union. They signify not only the couple's (hopefully) unending love for each other but also Christ's (definitely) unending love for them, individually and together. The Lord's eternal grace encircles Christian marriage, even as wedding rings encircle the fingers of those who exchange them.

Operation Christmas Child

Summer is marching on, and before we know it, November will be upon us. The Evangelism Committee would like to sponsor the Operation Christmas Child ministry again this year. We feel this is a wonderful Evangelistic outreach.

These shoe boxes will be delivered to children living in impoverished conditions all over the world. Along with the shoe box, the children receive a Gospel booklet written in their own language, with follow-up children's Bible study program. This will probably be the first time these children will be introduced to Jesus and His life-saving message. Then these children will go home and tell their family members and friends about Jesus too.

We will have pamphlets available outside the Church office that include suggestions and instructions for filling the shoe box (what to include, as well as what not to include), a tag you can use to label your shoe box, and an envelope to include the \$10 donation (check made out to Samaritan's Purse) to cover shipping expenses, printed materials, and other project expenses. We also have some pre-printed shoe boxes available for you to use or you can use your own shoe box. If you choose to wrap your shoe box, just be sure to wrap the box and lid separately, and secure it with a rubber band.

Shoe box collection is the third week of November, so you have all summer to select fun and useful items for your shoe box. Take children with you when you go shopping – they will have fun with you selecting as many things as they can fit in that box!

If you would like to build a shoe box online: open your web browser and type in: <https://www.samaritanspurse.org/operation-christmas-child/buildonline/> You can start building yourself, or you can select "Build it for me". Then follow the prompts. If you have questions, you can call Barb Harry at 586-247-7231.

Your Evangelism Committee

Thank You Everyone, including Pastor Hunde, for the amazing power of prayers for the Daily Bread Food Pantry households. The prayer for blessing of foods and items provided touches the hearts of so many. Also special thanks to Mr. George Dimas for his monetary donations last month towards this outreach ministry.

- Do you need a weekly ride to Sunday worship?
- Do you need any tutoring?
- Do you have time to work a part-time job?

If you can positively answer any of the questions above, you will probably be interested in the new bulletin board of personal ads located in the hallway across from the side entrance to the kitchen.

If you want to post a personal ad or service, please submit it to the Communication Committee. A hard copy can be dropped off in the church office or emailed to Lee or Nancy O'Bryan (lee.obryan@clcwarren.org).

Euchre Night Returns

The Euchre group at CLC is starting up again on Sept. 9 and will continue to meet at church on the 2nd Saturday of each month from 6-9 pm through May.

The September gathering is a time devoted to beginners and those who need a refresher course. This group does not play aggressively.

Interested? We'll see you then.

Call Jennifer Schneider at (586) 899-0351 with any questions.
